

Year 5 and 6 were given the opportunity to visit the House of Europe in Nicosia. When we got there, we were taken into a big room, where we all sat down and listened to an interesting speech about the European Union. After the talk, we were quizzed on what we had learnt.

We were able to answer lots of questions and we even won an EU goody bag because we did so well! After that, we had a snack and spoke to some of the nice people who worked in the House of Europe. **We all had a great day and learnt a lot!**
